The 2006 Delaware State Fair took place July 20<sup>th</sup> thru the 29<sup>th</sup> and again this year the Delaware State Fire School and State Fire Marshal's Office were present throughout the entire Fair promoting Fire Safety.

Attendance records showed a slight increase in attendance over 2005. Opening night and Children's Day are large events for the two agencies to promote their message of Safety.

The Indian River Fire Company partnered again this year by coming to the Fair with their remote Dalmatian "Patches". Under the direction of Fire Prevention Chairman Allen Miller, Patches entertained the children on Children's Day.

The Fire School's inflatable ambassador of Fire Safety, Firefighter Ed U. Cator, appeared in the Fair Parade Tuesday and Thursday evenings for Children's Day and Governor's Day.
